Granados, Montfort, others

8:30 pm - Tribal Rituals - Classical works inspired by Nietzsche,  
Wagner, Dvorak and Tribal Cultures

"Not your typical description of a serious solo piano performance. But then what is typical about a man who can memorize over 100 works, and we're talking complicated works here, send them from memory to fingertips and then while he's at it, throw in a heap of astounding technique, showmanship and sensual grace to nearly blow the roof from its rafters?" - The Pacifica Tribune
